DECLARATION OF MAJOR FORM FOR THE B.A. OR B.S. DEGREE

INSTRUCTIONS: Take this form, together with your most recent ACADEMIC REQUIREMENTS report (obtained using the SIS), to the Director of Undergraduate Program for the desired major department prior to the deadline for 4th semester students to declare majors (typically the last week in April). The Director will assign you to a major adviser who will be available to advise you throughout your career as a major in that department. Return the completed white and yellow copies of this form to the department or office for your major. (The office will then forward the Dean's copy to Monroe Hall.) Keep the pin copy for your records.
